LED KITCHEN LAMP (SURFACE PANEL LIGHT)

**All pictures shown are for illustration purpose only*

LED Surface Panel are used as a down lighter in order to create the perfect ambience. When it comes to any interior décor and lighting, the LED panel design creates the bold and stylish finish any space would require. Small and compact, they can be placed in locations to offer maximum illumination, especially as down lighters. Suitable for being installed on normal ceilings and do not require any special concealers like false ceilings. It's suitable for Old Homes, Modern Homes, Kitchen, Office Lobby, parking spaces, lobbies and balconies.
